

INVITATION

Wärtsilä – Hong Kong Shipowners Association Annual Joint Seminar

Novotel Century Hong Kong | 238 Jaffe Road | Wanchai, Hong Kong

Invitation to the 11th Annual Wärtsilä – Hong Kong Shipowners Association Joint Seminar

We have the pleasure of inviting you to an informative and topical seminar on Wed 18 March 2015 at the Novotel Century Hong Kong from 14.00 – 17.30h.

It's been another challenging year for ship owners, operators & managers in the maritime regulatory space; but there have also been some [interesting orders](#) and developments related to LNG as a fuel. We will cover topics related to your compliance & smooth operations including Tier 3 powering solutions for merchant vessels, ballast water management systems updates, exhaust gas cleaning systems & much more. We appreciate that while bunker prices might be reducing, energy efficiency and meeting future legislative targets are always at the top of your priority lists!

Please view the full agenda that follows for details of the presentations and speakers at the seminar. We look forward to seeing you on the 18th!

*** Don't miss our special guest presentation from Shell! ***

Best regards,
Wärtsilä Corporation & Hong Kong Shipowners Association

**Kindly confirm your attendance by Wed 11 March to Frances Ho
frances.ho@wartsila.com**
