

**BELT AND ROAD INITIATIVE FORUM**  
**First (1<sup>st</sup>) Session on Friday 22<sup>nd</sup> June 2018**

This is a forum of a series of four bimonthly sessions with a theme of “Belt and Road Initiative” (BRI), which is jointly organized by The Hong Kong Logistics Management Staff Association (HKLMSA), C.Y. Tung International Centre for Maritime Studies, PolyU (ICMS) and the Hong Kong Seamen's Union (HKSU). It employs the Interdisciplinary Learning/Back-to-Basics (IDL/B2B) methodology and the sessions are conducted in an open forum case study with interactive question and answer (Q&A) discussions. It is a platform for those from all sectors of the Hong Kong economy, businessmen, eminent professionals, academics and even students, to explore what BRI offers them, and to share their expertise and valuable experience in realizing the opportunities through application of the BRI Triangle Theory of “Politics, Economics & Culture”.

The **Inaugural (1<sup>st</sup>) Session** of the **BRI Forum** is on the topic “**BRI - Concept, Objective and Realization**”. It will attempt using the BRI Triangle to identify how and on what basis BRI was developed, its continuous evolution, what it envisages, and how it could probably be realized, and the possible role of Hong Kong in access to such opportunities. There will be case studies on the many challenges ahead in the process of realization.
