The Institute of Chartered Shipbrokers

OPEN EVENING

FOR PROSPECTIVE STUDENTS

The Institute of Chartered Shipbrokers is opening its doors to students and potential students on **Thursday 8th September 2016.**

The open evening will be held at 13 of the key Institute centres and is a great chance to find out more about courses on offer, entry requirements, meet local tutors and other students and learn more about what the Institute offers.

The Institute currently has 5,000 students across all three levels of qualification, studying across six continents over 100 exam centres globally.

Embarking on professional education can be quite a challenge for students. Some may have been out of formal education for some time, and others new entrants to the shipping industry.

The Institute offers subsidised, industry leading qualifications and has a network of Institute members teaching, mentoring and supporting students every step of the way.
