Open Forum on “Position and Prospect of Marine Liabilities - the views from P&I Clubs”

The forum was hosted by Dr. Meifeng Luo, the Centre Director, with Mr. Frank He, the Deputy General Manager of the Hong Kong Office of the London P&I Club as the guest speaker. During the forum, Mr. He introduced practical marine insurance to help the participants have a better understanding on marine insurance industry. Business models, market players in the market and the importance, coverage, status quo as well as prospect of the hull insurance industry were also covered. In addition, Mr. He also suggested the required knowledge structure for industry practitioners.
